

Revelation 2018

Agape's Celebration of Love, Inspiration & Transformation

In 1993 Michael Bernard Beckwith, founder and spiritual director of the Agape International Spiritual Center brought together participants of the new thought community for the first ever Revelation conference, a gathering of speakers, wellness practitioners and transformational thinkers. Fast forward to 2018, the Revelation conference has grown into a three-day celebration offering sessions in body, mind and spirit connection; meditation, affirmative prayer, life visioning, nutrition, exercise, wellness, the value of humanitarian service, the arts and the celebration of life.
